DETAILED ACTION

Reissue Applications

The reissue oath/declaration filed with this application is defective because it fails to identify at least one error which is relied upon to support the reissue application. See 37 CFR 1.175(a)(1) and MPEP § 1414.

The error statement in item 7 of the oath uses broad language and, as such, does not recite a specific claim, by way of example, that constitutes at least one error.

The reissue oath/declaration filed with this application is defective (see 37 CFR 1.175 and MPEP § 1414) because of the following:

The address given for the inventors signing the oath is the corporate address not the home address of each individual inventor.

Claims 1-51 are rejected as being based upon a defective reissue oath/declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the oath/declaration is set forth in the discussion above in this Office action.

Response to Arguments

Applicant's arguments, see the amendment, filed 8/31/2007, with respect to claims 1-51 have been fully considered and are persuasive. The rejection of these claims has been withdrawn.
